SECTION IV - ELIGIBLE AND ELECTING TO RECEIVE THE CAREER STATUS BONUS

Complete this section only if you are eligible and you desire to elect to receive the Career Status Bonus. Then return the form as instructed by your Service.

12. I elect to receive the Career Status Bonus payment, with payments as indicated in block 12a below. I make this election upon my attainment of 15 years of active duty service and having been determined eligible for the bonus by my Service. I understand that once the election is effective it may not be revoked. My election is effective once received and accepted at the 15th year of service, or if later, the date received and determined acceptable by my Service, but no later than the date that is six months after being notified of my eligibility. I understand that if I receive the CSB in error, I must repay the full, before tax bonus amount. I agree to remain on continuous active duty, subject to Service regulations, until I attain a minimum of 20 years of such service. If I fail to complete such service, I understand that I will be required to repay a share of the total \$30,000 bonus payment in proportion to the amount of service I failed to complete compared to the additional service I agreed to serve. Any unpaid installments will be credited to my repayment. If I am separated prior to 20 years of service, I consent to withholding from current pay, final pay, or any other money due me to satisfy this indebtedness. I further consent to such withholding at a rate sufficient to satisfy this indebtedness no later than my separation, and understand that this could result in the withholding of 100% of my current pay, final pay, or other money due me. I further understand that if and when I do retire, it will be under the provisions of the 1986 Military Retirement Reform Act (1986 MRRA, known as REDUX), and that my future retired pay, if based on length of service, will be reduced under such provisions in the form of a reduced multiplier before age 62 and annual Cost-of-Living Adjustments (COLA) that are 1 percentage point less than I would otherwise receive both before and after age 62, but with a one-time catch-up COLA adjustment at age 62. I have received the Fact Sheet of Information for Eligible Career Status Bonus Members, explaining the details and effects of making this election.
